RE: Geneva Rock Products Point of the Mountain Quarry, M/035/026

Dear Doug:

On behalf of Geneva Rock Products, Inc., I would like to request a one-month extension to respond the recent Division review date December 4, 2006. Tony Christofferson noted that the comment letter may not have been properly routed to him due to the holiday season. Geneva has only recently had an opportunity to review the letter. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Matthews", with a long, sweeping horizontal line extending to the right.
